TRANSLATION METHODS

MTPE

MACHINE TRANSLATION POST-EDITING

Machine translation managed by Linklab, followed by professional post-editing. An option for structured, informative or repetitive content, subject to a suitability assessment.

TEP

TRANSLATION · EDITING · PROOFREADING

Translation by a native-language professional, revision by a second linguist and a final quality check. For content requiring accuracy, completeness and terminological precision.

Transcreation

BEYOND TRANSLATION

Creative and cultural adaptation of slogans, campaigns and brand messages, preserving their intent and impact in each target market.

REVIEW OF TEXTS ALREADY TRANSLATED

Review

OF TRANSLATIONS PRODUCED BY PROFESSIONALS

The client provides a text that has already been translated. We check its accuracy, completeness, terminology, consistency and stylistic suitability, according to the agreed level of intervention.

Assessment and review

OF MACHINE TRANSLATIONS SUPPLIED BY THE CLIENT

We assess the translation's quality and suitability for revision before starting. Where errors are substantial, translating afresh from the source may be more reliable and efficient.

SERVICE NOTES

- **Standard page and minimum fee.** 1 standard page (cartella) equals 1,500 characters including spaces or 220 words. The minimum fee is 1 page or 220 words.
- **Discounts for repetitions.** We use CAT tools, translation memories and glossaries to support terminological consistency and identify repeated segments. Where applicable, repetition discounts may reach 70%. Additional repetition discounts are not normally offered for MTPE.
- **Standard delivery times**, subject to translator availability: 8 pages (1,760 words) per working day for MTPE, 5 pages (1,100 words) for TEP, 3 pages (660 words) for transcreation.
- **Rush orders.** A rush surcharge of 30% or more may apply to deadlines shorter than the standard turnaround, as specified in the proposal.
- **MTPE is not suitable** for creative or advertising content and, as a rule, for legal, financial or other high-stakes documents. Suitability must always be assessed in light of the text and its intended use.

Request a tailored proposal for your project

Tell us the languages, type of content and deadline, and we will set out the proposed turnaround and costs clearly.
